The Township of Blandford-Blenheim congratulates the hard work of the citizens of our community in developing a comprehensive plan and driving the project for a new park in our Township for all to enjoy.

The Princeton Park Expansion project connects a new park with the existing sports park through a 1.3 km trail that was made possible through the funds granted by the Ontario Trillium Foundation.

The Park Expansion Committee made up of the following volunteers:

- Rob Cowan
- Deb Macdonald
- Edna Williamson
- Kathy Keys
- Bev Beaton
- Nestor Kozey

This group has worked for a number of years on a regular basis to bring this project to completion.

We also congratulate the Princeton Park Legacy Committee, who are a group of citizens that are canvassing the community to offer memorial benches and trees to beautify the park as well as support future features such as outdoor fitness equipment.

On behalf of Council, Staff and our Community we thank all who have contributed to the success of this project.

Sincerely,

Mayor Wearn
